

Meeting the needs of Kansans

Transit in Kansas provides important economic, health, and social benefits by giving citizens without regular access to a personal vehicle a way to get to work or to make personal trips and to maintain their independence. In urban areas of the state, buses alleviate traffic congestion and reduce air pollutant emissions.

YOUR Kansas Public Transit Association represents the needs of transit providers and patrons.

Thank you for your continued membership.

KPTA ANNUAL MEETING AND EXPO AUGUST 14-16, 2017

Mark your calendar now !

Advocacy:

KPTA is your voice in Topeka and Washington. KPTA represents its members' interests on all key state and federal transit-related issues. KPTA acts as your advocate on issues that matter most to you, such as transit funding, rule-making, and preserving the state transportation plan.

*KPTA was an active participant in promoting the recently enacted 5 year national transportation bill—the FAST Act. KPTA's education and outreach efforts have played a vital role in advocating for an increase in the number of state and federal dollars invested in the Kansas transit industry. Consider KPTA's professional government affairs liaison as an extension of your own staff. KPTA's Legislative Updates & Washington Alerts keep you up-to-date with all that's happening. **With your membership certificate you will receive the 2017 Edition of the Elected Officials Guide, including many new legislators.***

Your KPTA benefits include...

Professional Development:

KPTA is dedicated to supporting you with opportunities for building knowledge and skills. Each year KPTA hosts an annual conference and provides information on numerous other workshops, and webinars focusing on a wide range of public transportation topics. August 14-16, 2017 will be the Annual Meeting and EXPO in Garden City, KS.

Aside from our top-notch educational program at the annual meeting, KPTA's EXPO provides you the opportunity to network with industry professionals and exchange ideas and information.

Your Industry Information Resource:

KPTA keeps you on top of the latest news and information through reports, KPTA's web site (www.kstransit.org), and on-going email updates which keep you abreast of what is happening around the industry, at FTA, at CTAA and APTA. KPTA is a member of both the Community Transportation Association of America (CTAA) and the American Public Transportation Association (APTA). KPTA is a board member of the Southwest Transit Association (SWTA). KPTA is represented at these industry meetings, including the annual legislative conference in Washington, and you are provided timely reports on these activities.

KPTA also keeps up-to-date on changing regulations and FTA notices and circulates them to its members.
